↓ Co-op Mining

3 CHAIRMAN WILLIAMS: It is my understanding that Item
4 8 on the agenda has been continued until next month.

5 MS. ROBERTS: Mr. Chairman, can I make a comment
6 on No. 8?

7 CHAIRMAN WILLIAMS: Yes.

8 MS. ROBERTS: As you were apprised last month, there
9 was a problem with the AML's fees for the issuance of Co-Op
10 Mining, the permit for Co-op Mining Bear Creek Canyon Mine.
11 There is a problem with the abandoned mine land fees. There
12 is a problem with the fact that we had not issued a permit,
13 that they had not met the requirements for issuance of a per-
14 mit. In addition, they had fines and penalties outstanding.

15 Since that time, they have paid their fines and
16 penalties. They have submitted information to the Division.
17 At this point it looks as if any deficiencies that are still
18 outstanding can be taken care of over the next 30 days prior
19 to the hearing next month.

20 The situation with the abandoned mine land fees is
21 still unresolved at this moment.

22 We have a letter from Robert Hagen dated September
23 17, 1985, which all the Board members have copies of, explain-
24 ing the situation as with the abandoned mine land fees. We
25 don't know what the resolution of that problem will be as yet.

↓ to be dealt

1 One other problem that has arisen is Co-op Mining
2 Company has mined outside of their permit area to the west,
3 and a violation has been or will be issued on that. If they
4 fail to abate that or handle that in the manner that is
5 acceptable, that will be a further situation that will have
6 to be dealt with before a permit can be issued.

7 But pursuant to the expectation that the permit will
8 be issued by next month, everything will be taken care of,
9 we entered into a stipulation for an extension for 30 days
10 on the Board's order and for this hearing on this matter.

11 CHAIRMAN WILLIAMS: Thank you. All right. That
12 matter is continued.

13 Is there anything further to come before the Board?

14 We will recess while we consider the matters that
15 we have under advisement.

16 (At 1:35 p.m. the hearing ended.)
